

METAL DETECTORS

* Notice:
 Accept combine order high-
 er tier price
 with *symbol on this page.

* *MSRP - Manufacturer's Suggested Retail Price*

We are always ready to help our dealers and distributors! If you are our partner, we do not ship goods to your country to private customers, we leave the contact of your store to them.

After your first order we will add you to our database on our website: <https://aka-md.com/stores/>
